Dear Parents & Guardians of Jr.KG,

It is my solemn duty to share the hardships that the School endured during the previous two academic years. The delay in the orders from the FRC made it extremely challenging to set a fee schedule that met with the guidelines of the FRC and also our budgetary requirements. Our Provisional Fee Schedule over the last two years grossly affected our operational budget as the money accrued through the fee did not meet the School's working budgetary requirements, which included the operational costs, wages and salaries of teachers and staff, property maintenance, expense towards teaching materials and many other miscellaneous expenses.

Metas Adventist School is not just a school, but an institution of rich heritage and culture committed to delivering an education par excellence. We commenced operations in 1942 and over the last eight decades we have been serving the city's populace, providing its youth with wholesome education. Our school is one of the best ICSE & ISC Schools in the region. Your continuous and unwavering support is the reason, our School has accomplished such a reputation in the city. It is our earnest endeavor to provide for every student the best resources, and we thank you for being very supportive in the development of the School. I appreciate each parent who empathized and stood by us. I shall remain ever grateful to you. I look forward to similar support and directions from all the parents so that together we can construct a great educational future for the children.

Please note that as per the FRC circular dated July 3, 2019, the School has decided to collect the final approved fees of 2018 – 19 as the Provisional Fees for the Academic Year 2019 – 20. This fee structure is **STRICTLY PROVISIONAL**. Please note that this fee structure is provisional, pending the approval from FRC for 2019 - 20 and hence the Provisional Fee Structure is subject to adjustment once the order is approved.

**NOTE:** If you have paid the school fees for the whole year, the excess amount will be adjusted along with the next year's fees; and for parents who have paid the first and second quarter fees, the difference will be adjusted in the subsequent quarters.

**Provisional Fee structure for the Academic Year 2019 - 20**

<b>Total fee approved for year 2018 – 19</b>	<b>New Provisional Monthly Fee</b>	<b>Quarterly Fee</b>
<b>Rs. 33,570</b>	<b>2,800 x 12 Months</b>	<b>2,800 x 3 = 8400</b>

**\* Fee must be paid Quarterly.**

**\* No term fee shall be collected.**

We humbly urge each of you to abstain from participating in any protests. Such protests are disruptive and detrimental to the child's scholastic progress. Stopping the children from entering the School is denying education. Such demonstrations disturb the students' impressionable and innocent minds and have long-term implications; hence, we again humbly reiterate that you please refrain from such inappropriate exhibitions of disapproval and dissent.

With Warm Regards,  
Yours Sincerely,

**Ravikumar Peteti**  
**Principal In-charge**
